Principal

Dear Students,

Greetings from BONGAIGAON COLLEGE!

As you all must be well aware, Bongaigaon College is an acclaimed centre of higher learning. Each year, it welcomes students in great numbers with the endeavour to provide them quality education and to fulfill their aspirations.

A group of visionaries contemplated starting an institution at Bongaigaon for higher learning in the educationally backward area of Assam on 8 July, 1964. The establishment of this esteemed institution happens to be the brain child of a group of leading academicians, social workers, political personalities and certain citizens under the leadership of Late Sitanath Brahma Choudhury, an ex-MP and ex-President of Asam Sahitya Sabha. The provincilised system of the college has been accorded by the Government of Assam since 2006 after completing thirty four years of administration under deficit grant-in-aid system. It has been recognized by the UGC under section 2(f) and 12(B) since its coming under deficit system in 1972. The college has been assessed and accredited by NAAC in 2019 for 3rd Cycle and has been awarded “B” grade. Recently, the Cabinet meeting held on 24th November, 2021 at Bongaigaon in which the Government of Assam approved the Bongaigaon College to be upgraded to a full-fledged State University.

Bongaigaon College is affiliated to Gauhati University. The college with a campus of 64 bighas of land, offers 10+2 Courses (Arts & Com.) and Undergraduate (BA, B.Com., BBA & JMC) – both Major/Honours and Minor Courses apart from offering MA Course in English and Hindi. The college has also been the study Centres of IDOL Gauhati University and KKHSOU, Guwahati. In addition, the students also have a choice of several Add On/Career Oriented Courses.

The faculty is highly qualified and committed towards the empowerment of the students of our college. With a well-developed infrastructure in place, students get the opportunity to benefit from spacious Campus with Boys Hostels, Girls Hostels, Auditoriums, Sports Grounds, Gymnasiums, Smart Classrooms, Seminar/Conference Halls, Multimedia Rooms, etc. Some of the other facilities which can be mentioned are the Automated Air-Conditioned Libraries with Internet (Wi-Fi/LAN/Inflibnet), CCTV 24x7 Surveillance, Computer Laboratories, On-Campus ATM/Bank facilities, special care for differently-abled through Ramps, Washrooms and Wheelchairs, etc. Hence, I can say with great certainty that our college will provide a platform to the students where you gain the acumen and knowledge to help your manifest into reality. It is here that you discover your passions that can eventually lead you to carve out niche for yourself in society. You must all remember that “Education is the passport to the future, for tomorrow belongs to those who prepare for it today”.

It is so called that a Prospectus is like a mirror of the college. It provides detailed information about the courses offered, fee structure, general admission rules and eligibility criteria for entering into various academic fields. In addition to easy accessibility, it also makes the Admission process more transparent and convenient for the students. So, I appreciate the hard work and dedication of the Prospectus Team, comprising of Dr. Rupanjali Devi, Mr. Bhabani Prasad Sharma, Mr. Pradip Kr. Goswami, Dr. Phatik Ch. Kalita, Mr. Pulakesh Das, Mr. Samujjal Ray and headed by Mrs. Mollika Khakhary, Vice-Principal of the College. With utmost sincerity, they have worked tirelessly and complete the Prospectus before going to start the Admission process. From the bottom of my heart, I wish them great success in their future academic endeavors.

My best wishes to all who desire to learn and educate themselves ahead !

Once again, I extend a warm welcome to students; I also pray to God that the Academic Session of 2023-2024 brings us all together in a health environment.

ABOUT THE COLLEGE

Bongaigaon College, located in an ideal setting covering 64 bighas of land, has been working hard with its rich potential to realize its desired goal of spreading quality education from HS to Postgraduate level and meeting the needs of the people of Assam in general and Bongaigaon in particular. Established on 8th July, 1964, Bongaigaon College completed its glorious Fifty years of journey. This College is the brainchild of a concerted enterprise of Late Sitanath Brahma Choudhury, ex-MP and ex-President of Assam Sahitya Sabha, Late Bhabeswar Choudhury, and Late Hariprasad Goswami and Late Damodar Mahanta. Their resourcefulness, sense of resilience and will power were bolstered by a host of others who worked behind the scene with a mission at heart.

Recently, the declaration by the Govt. of Assam in its Cabinet Meeting held on 24th November, 2021 at Bongaigaon to upgrade Bongaigaon College as a full-fledged State University within three years was the most historic and cherished moment for us. The College family as well as the well-wishers of Bongaigaon College showed their tremendous sense of gratitude and acknowledgement with lighting the lamps in and around the college campus.

The College was accorded the status of Deficit Grants-in-Aid in 1972 by the Govt. of Assam. Ever since, the College has grown in stature, in academic excellence and as a citadel of spreading intellectual values. Constraints notwithstanding, Bongaigaon College has made it a mission to promote best values and cherished ideals which symbolized a worthy academic culture.

Located at a distance of 200 kilometers to the west of the State's Capital, Bongaigaon town, over the years, has grown both industrially and educationally making it an important spot in Assam as well as in India. Situated on a sprawling sixty plus bighas of land (20.91 acres) in serene and rural surroundings, the College campus provides a perfect backdrop where learning is an enriching and enjoyable experience, and where apart from giving basic thrust on learning, emphasis is also given on personality development, sports, extra-curricular, co-curricular, cultural activities and career development of the students.

The College had a humble beginning with the opening of Pre-university (Arts) classes under Gauhati University in the year 1964 with 150 students and eight teachers. Later, two Commerce subjects were introduced in the pre-university course. The full-fledged Pre-university Commerce course started in 1984. Degree Arts classes started in 1966-67 session and subsequently got affiliated by Gauhati University in 1971. Realizing the absence of any institution for commerce education in undivided Goalpara District and also realizing the increasing commercial importance of the place, Degree Commerce classes started in the year 1978. Today, the College has an enrollment of over 3000 students and offers a wide range of courses and activities. While retaining its natural beauty and spaciousness, the College has moved with times to meet the demands of a developing modern society. Over the years Bongaigaon College has worked tirelessly to develop infrastructure and facilities for students.

We have, at present, three programmes at UG level, i.e., BA, B.Com and BBA (Three years degree course) and two programmes at PG level, i.e., MA in English and MA in Hindi. Apart from these, we introduced from the 2003-04 session some short-term professional courses like Certificate, Advanced Certificate and Diploma courses in computer application, Taxation Practice & Procedure and TALLY based Financial Accounting under UGC sponsored scheme of Equal Opportunity Centre in the College for career orientation of the students. From the Academic Session 2010-11, the College has introduced Major course (now Honours) in Finance in B.Com courses. From the academic Session 2016-2017 the College has introduced Sociology as Elective Subject both in Degree & H.S. Level.

It is worth mentioning here that Bongaigaon College has completed the Third Cycle of NAAC accreditation in the year 2019 and was awarded Grade B (2.02 Grade Point) by the National Assessment & Accreditation Council (NAAC) of UGC on 11th March 2020. The College has been preparing for its Fourth Cycle of accreditation since 2021 and the same may likely be done in 2025-26. In this connection seven Sub-Committees have been formed in conformity with the Seven Assessment Criteria designed by the UGC-NAAC and as per the direction of the Govt. of

Assam. It is hoped that the fourth cycle of NAAC accreditation will aggrandise its teachers and students to upgrade the status of the College in future.

In the FYUGP, one has choice to exit from the programme thrice—after one year, after two years and after three years. If one exits the programme after one year, one gets a Certificate. If one exits after two years, one gets a Diploma.
